

Award for Entrepreneurial Excellence: Ichu Lin Honored by Shenzhen University

On the occasion of this year's **Young Generation Entrepreneurs Award**, Ichu Lin was honored with an **award by Shenzhen University**.

This prestigious award is presented annually to a selected group of young entrepreneurs who distinguish themselves through exceptional leadership, a strong sense of responsibility, and a forward-thinking approach to business. An independent panel of experts selects the recipients based on criteria such as sustainable company management, modern working conditions, and social impact.

The award represents a significant recognition of Ms. Lins’s commitment to values-driven and innovative leadership. It also reflects the collective achievements of our entire team of CapXon, who actively contribute to this vision every day.

Under her leadership, CapXon has continued to grow as a trusted partner in the electronics industry, known for its quality, reliability, and long-term vision.

We extend our heartfelt congratulations to Ms. Lin on receiving this distinguished honor.
